ParentWISE Program

Supporting Parents and Caregivers
in Challenging Times

Supporting Parents and Caregivers In Challenging Times

Wise parenting is not always easy. In fact, at times, the responsibility and demands of being a parent or

caregiver can be overwhelming even to the most experienced hands.

In difficult times, the ParentWISE Program is here to help. Having the

opportunity from time to time to share the feelings and experiences all parents can help make raising a child more enjoyable. Supported and educated parents and caregivers make for stronger families and healthier communities.

ParentWISE is available to assist:

- Parents
- Caregivers
- Educators
- Behavior Health Providers
- Interested community members

ParentWISE Services Include:

- Educational series that help with the challenge of parenting
- Workshops for organizations, churches, businesses and schools
- *Bee Kind*, a literacy-based curriculum for day care centers, pre-schools and elementary schools that teaches children the act of kindness
- Family-oriented special events including an annual Ice Cream Blast and regional Story walks

- Educational and supportive services for incarcerated parents, fathers, families involved with family court and families with special needs

What ParentWISE Can Help Parents and Caregivers Achieve

Our hope is that by supporting parents and caregivers, they will feel more confident and comfortable in their roles as nurturing adults to the benefit of their children and the communities in which they live.
